ANNUAL MEETING

The Seamen's Friend Society of Norfolk.

Report of Chaplain and Treasurer—Proposition to Sell the Present Bethel and Build New One—Managers and Officers Elected.

The seventy-third annual meeting of the Norfolk Seamen's Friend Society was held at the Bethel on Water street at 5:30 p. m. yesterday.

Mr. R. W. Santos was called to the chair, Mr. A. B. Broughton appointed secretary, and the chaplain, Rev. J. B. Merritt, invoked the divine blessing.

THE CHAPLAIN'S REPORT.

The chaplain of the Seamen's Bethel read his annual report as follows: "Since the last report our gallant seamen have fought great battles and won glorious victories, and the men in less conspicuous places have labored, suffered and died in the discharge of duty for they have faced the fierce elements—have braved many a storm.

"Providence has favored our section, for the gales on our immediate coast have been moderate so that we have not had the number of shipwrecks increased over previous years. The mission to seamen has gone on about as usual. Religious services have been held both at the Bethel and Lambert's Point; the sick have been visited daily, and frequent visits made to the vessels lying at our wharves. I have distributed more than one hundred thousand pages of tracts and religious reading matter, ninety-nine Bibles and Testaments, besides much other reading matter.

"One hundred and eighty-seven seamen in distress have been relieved, not taking into account many meals and lodgings and a few articles of clothing—more than on any previous year. Of the above one hundred and eighty-seven, thirty-five were paid for by the society at a cost of \$263, and one hundred and fifty-two paid reduced rates themselves, amounting to \$250. Six seamen have been laid away to await the call of the last trumpet in the lot of the society in Elmwood Cemetery, and a number have been taken to their homes for burial.

"Courtesies have been received from the American Seamen's Friend Society and the Union Mission in this city. "Allow me in conclusion to say that I am in love with my work, and I believe that great good has been accomplished among a class of men who often feel that the chaplain is about the only friend they can approach and tell of their troubles. I may be permitted to urge upon your attention this great charity, and I pray God that you may be deeply interested in its work among seamen.

"Respectfully submitted,
"J. B. MERRITT, Chaplain.

TREASURER'S REPORT.

Mr. John B. Jenkins, the treasurer, read his report, which is as follows: On hand last meeting \$ 171.33 Receipts during the year 1,515.03 Expenditures during the year, 1,394.40 Balance on hand 129.63 The report was referred to Messrs. M. L. T. Davis, Luther Sheldon and H. J. Williamson, the Auditing Committee, to examine accounts and vouchers. The report was found correct in every particular.

NEW BETHEL ADVOCATED.

Colonel Lamb advocated the selling of the present Bethel building and site to the best advantage, and the purchase of a site in Atlantic City and the erection of a new and more imposing structure than the present one. He urged that the society take steps at once looking to the consummation of the much desired object. He said that owing to the adverse surroundings of the present site it was impossible for the work of the society to prosper. The matter was referred to the Board of Managers for immediate action.

BOARD OF MANAGERS.

A letter was received from Dr. L. B. Anderson, of the Baptist Church, resigning his membership on the Board of Managers. The resignation was accepted.

The chair appointed a committee to bring in nominations for the board and officers for the ensuing year. The committee retired and after a brief absence returned and submitted the following ticket, which was elected:

ENGINEERS MEET

Large Gathering at Cape Charles Sunday.

Addresses by Chief Arthur, of the Brotherhood of Locomotive Engineers, Rev. Thomas Dixon, Jr., and Others—Oyster Roast.

There were more than twelve divisions of the Order of Brotherhood of Locomotive Engineers represented at the meeting at Cape Charles, Va., on Sunday afternoon, where an interesting and elaborate program was carried out. The music was of the highest order and delighted the large audience, and each speaker was at his best.

GRAND CHIEF'S ADDRESS.

The words of wisdom by the Grand Chief Engineer P. M. Arthur will long be remembered by all who heard it. The same can be truthfully said of the remarks of the Third Grand Chief Engineer, Mr. Deloss Everett.

ADDRESS OF REV. THOS. DIXON.

The speech of the Rev. Thomas Dixon, Jr., fairly captivated the audience and held every one spell bound from its opening to its close. He pleaded for a broader humanity, showed how much the world is indebted to railroad men, gave several thrilling illustrations from the lives and experiences of the men, while paths seemed to come from his heart through his lips. It was truly a magnificent effort.

MISS ANNIE PARKER.

The recitation by Miss Annie Parker, the daughter of an engineer, was her own composition and a splendid effort. In fact, all who participated did well and deserve the highest praise of the Brotherhood and the public.

COURTESIES EXTENDED.

The Cape Charles Hotel deserves special notice for kindness bestowed. The proprietor put his house at the service of the Brotherhood and their supplies were of the best and most bountiful. The oyster roast furnished by the Brotherhood was a charming feature and richly enjoyed.

Mr. R. B. Cooke, general passenger agent of the New York, Philadelphia and Norfolk railroad, generously came again to the front and gave the use of the company's elegant passenger steamer, in charge of Captain McGuire and Purser Williams, for the use of the Brotherhood and all who attended the great gathering.

The following members from the Norfolk and Portsmouth divisions were in attendance:

Colored Fraternal Societies.

Sunday being National Thanksgiving Day with the colored Odd-Fellows, it was appropriately observed by the four lodges in this city at the Bute Street Baptist Church, between two and three hundred members of the order being present. The sermon was delivered by the pastor, Rev. R. H. Bowling, D. D.

The colored Seven Wise Men of Norfolk attended St. John's A. M. E. Church Sunday afternoon and heard a sermon by Rev. Dr. Seaton. There was a large congregation present.

Never a doubt about the fit and workmanship if your clothes are made by Rudolph & Wallace. No better made anywhere.

Bitten by a Dog.

On Sunday afternoon a large dog belonging to Mr. W. H. Richardson, of Bermuda street, attacked and badly chewed the leg of a boy named Johnson, who lives a few doors east of the Richardson house.

The boy was bitten a number of times, sustaining painful, but it is believed not serious, wounds.

It is stated that the boy irritated the dog with a stick, thus bringing on the dog's attack. The boy's mother desires the dog killed, but it has been removed from the city.

Housebreaker Arrested.

John Barnard, colored, was arrested yesterday morning under suspicious circumstances. He was found roaming through the house of Officer Sweeney, on Randolph street, back of the new Atlantic Hotel, and was arrested by Officer Williamson on a charge of housebreaking. It is believed that Barnard entered the house through a rear door that stood open, and that he intended to steal what valuables he could find. He will be arraigned for examination in the Police Court this morning.

RELIGIOUS NOTES

Progress of Work in Some of the Churches.

Rev. Rosebro Returns—Freemason Street Baptist—Park Place Presbyterian—Church Organization and Dedication—Queen Street M. E.

There were twenty-four new members received into the First Presbyterian Church Sunday morning. Rev. J. W. Rosebro, of Petersburg, returned to the city yesterday and preached at the First Church last night. The meetings there have been attended with gratifying results and will be continued nightly this week.

Rev. W. A. Borum, of Harrodsburg, Ky., who is to supply the pulpit of Freemason Street Baptist Church during this month, preached there Sunday morning and night, to the edification of large congregations. He was very warmly received by the members. The young divine entered the ministry from this church.

The first services in the new Presbyterian Church at Park Place, corner of Twenty-eighth street and Lewellyn avenue, were held Sunday, and though interesting, were not of a formal character. Both morning and evening services were well attended.

Rev. G. W. Lawson, the pastor of the new church, preached in the morning from 2d Corinthians, 13th chapter, 13th to 15th verses, his subject being: "The Constraint of the Love of Christ." His evening sermon was from Genesis, 4th chapter, 9th verse, his subject being: "Man's Responsibility for His Fellow Man."

The church will be organized on the night of May 21st. The commission appointed for the purpose consists of Rev. E. B. McCluer, of Park Avenue Presbyterian Church, of Brambleton; Rev. Edward Mack, of First Presbyterian Church, of Norfolk, and Rev. G. W. Lawson and Elder W. H. Collins, of First Presbyterian Church, and Robert Tait, of Park Avenue Presbyterian Church.

The church building will be dedicated on the first or second Sunday in June by Prof. W. Moore, D. D., of Union Theological Seminary, Richmond, Va. The new church building is well located, and under Rev. Lawson's ministrations will, no doubt, steadily increase in membership and usefulness.

Rev. Lawson has been in Norfolk for the past fifteen months, during which time he has been city missionary for the Presbyterian Church. A notice of the formal opening of the church will be given later.

The closing services of a series of meetings held at Queen Street M. E. Church were attended Sunday night by a large and appreciative audience. Rev. S. C. Hatcher preached an earnest and effective sermon from Rev. 3:20, after which three persons went forward to the altar and professed conversion, and several reconverted themselves.

It was a matter of general regret that circumstances suggested the closing of the meetings, which have been much enjoyed and highly beneficial to those who attended. The preaching was entirely by the pastor, who has succeeded in winning the interest and esteem of the community and a warm place in the hearts of his own flock. As a result thirty-two persons made a profession of faith, most of whom will unite with Queen Street Church.

The anniversary exercises of the Seamen's Friend Society were held at Epworth M. E. Church Sunday afternoon at 4 o'clock, a large attendance being present to witness the exercises.

The program, as published in Sunday's Virginian-Pilot, was observed, the music being of a high order. The interesting features of the general remarks by the president, Colonel Wm. Lamb; reading of the annual report of the chaplain of the Seamen's Bethel, Rev. J. B. Merritt, and the address by Rev. Edward Mack, of the First Presbyterian Church, on the great advantage the naval and marine service is to nations blessed with it, and the great responsibility resting upon us to do all in our power for the spiritual improvement of the men who go down to the sea in ships.

A collection was taken up for the benefit of the secretary.

THE GOSPEL ARMY.

Two hundred and twenty-five boys were present at the regular meeting of the Army on Sunday afternoon. The singing was unusually good. Twenty-five members of the Army sat on the platform and lead the singing.

Mr. Ambrose Page gave the first of a series of talks on the "Three F's." The second and third talks will be given in the near future.

Yesterday afternoon fifty-five members of the Army held an enthusiastic meeting at the Young Men's Christian Association, at which time three choirs were organized and other business transacted.

A "Red" choir, composed of fourteen members of Company A, was organized, with Guy Ashley as secretary.

A "White" choir, composed of nineteen members of Company B, with Harry McCoy as secretary, was organized.

A "Blue" choir, of twenty-two boys, from Company C, organized and elected Cecil Steele secretary.

The other officers of these choirs will be elected at the next meeting. These choirs are to lead the singing on successive Sundays, beginning with Company A, the "Red" choir, who will lead next Sunday. Each of these choirs will be limited to a membership of twenty-five boys, so it will be seen that only eleven boys can join the "Red," six the "White," and three the "Blue" choir. No selection will be made for these places. Boys who wish to join should apply at once, as the limit is reached.

Ginger snaps were much enjoyed by all present.

Not one child dies where ten formerly died from croup. People have learned the value of One Minute Cough Cure and use it for severe lung and throat troubles. It immediately stops coughing. It never fails. Burrow-Martin Company.

City Circuit Court Hears Argument in Damage Suit and Adjourns—Suit For Divorce—Qualification—Property Transfers—Police Court.

The spring term of the Norfolk city Circuit Court was convened by Judge R. R. Prentiss yesterday. The docket was called, one case argued and others set for trial, after which the court was adjourned until next Thursday.

The suit for \$5,000 damages of Mrs. Hannah C. Nelson against the city of Norfolk was argued by City Attorney Taylor for the city and Messrs. H. J. Lewis and C. B. Jones for the plaintiff. The argument was on a demurrer to the declaration.

Mrs. Nelson was injured on Church street by a cart which was crossing the sidewalk. The City Attorney contended that the city could not be held responsible for injuries to a person from a vehicle crossing the sidewalk any more than if the person was injured in the middle of the street. Judge Prentiss reserved his decision.

A SHOOTING AFFRAY.

ONE BROTHER SHOOT ANOTHER IN PRINCESS ANNE.
News was received in the city yesterday of a serious shooting that occurred in Princess Anne county Sunday about four miles south of Oceana depot, on the Norfolk, Virginia Beach and Southern Railroad.

The shooting occurred between two brothers, D. W. and Chas. Malbone, the latter receiving a wound in his thigh from a rifle shot. The two were out in a field together when the unfortunate affair occurred.

No particulars could be obtained up to 10 o'clock last night as to the cause of the shooting, and it is, therefore, impossible to say whether or not it was accidental, although one rumor has it that they became involved in a personal difficulty.

Dr. Land, who resides at Oceana, who was called to the injured man, says that the wound is a very serious one.

MURDER.
PERSONAL MENTION — REV. DR. CANNON TO SPEAK ON EDUCATION.

Madame Rumor has it that one of our leading merchants is about to change his way of living.

We were all glad to have our old friend, Mr. J. T. Rex, of Norfolk, with us Sunday.

Miss Marie White, of "Brier Island," was in our town last Saturday on important business.

A large and appreciative audience was in attendance at Bethel Church yesterday and were highly entertained by their pastor, Rev. Mr. Nicholson, his subject being the "New Bethel."

The Rev. Dr. Cannon, of Blackstone, Va., will preach at Oak Grove Baptist Church next Sunday, the 13th inst., at 3 o'clock sharp, on the subject, "Education." A very large crowd is expected to be in attendance, as all that have ever heard this eminent divine know well how he can entertain an audience.

Miss Roi Gharrette of Pungo, was the guest of Miss Amanda Mosley Sunday.

A party of young people were highly entertained at the home of Mr. and Mrs. W. W. White last evening.

Truthfulness In Advertising.

While alluring descriptions and fictitious values may be fine reading, truthful statements are most desirable.

The Arabian Nights, Gulliver's Travels and the delightful stories of Baron Munchausen are interesting, and so are some of the advertisements of the day as—efforts of imagination.
